ORDER NO.

**SUBJECT:**

DOCKET NO. 2020-174-WS - Blue Granite Water Company's Request for Approval of a Water and Sewer Agreement with Fielding Homes, LLC - Staff Presents for Commission Consideration Blue Granite Water Company's Request for Approval of a Water and Sewer Agreement with Fielding Homes, LLC.

**COMMISSION ACTION:**

I move that the Commission approve the water and sewer agreement between Blue Granite Water Company and Fielding Homes, LLC.

Blue Granite's response to the Commission's request for additional information pursuant to Order No. 2020-554 reveals that the Lake Wylie water system has adequate capacity to handle the additional demand for water for the project built by Fielding Homes, LLC. The Commission noted in Order No. 2020-554 that previous water restrictions were placed on existing customers in the York County/Lake Wylie Service Area. The Commission requested information or analysis to confirm that Blue Granite has sufficient water supply to meet its obligations to serve its current customers, as well as any new customers resulting from the new development described in the Agreement. Blue Granite responded to the Order, and stated that the additional 91 connections represented by the developer agreement is expected to add 0.0364 million gallons per day ("MGD"), for a total of 2.0864 MGD in the Lake Wylie service area, which is well below the 4.0 MGD total capacity.

I also further note that the Office of Regulatory Staff did file comments on this matter, and that the ORS did not have any objection.
